

Digital Image Workshop

What You Should Really Know to Improve Your Digital Images!

PSA Cascade Chapter is presenting a one-day workshop by Paul Levy.

Paul Levy began his photographic education under the tutelage of documentary photographer Franz Lehman, under whom he learned large format photography and darkroom techniques. Although never a professional photographer, he continued his photographic passion while pursuing a Ph.D. in biology. He has taught at several universities including The City University of New York, The Brooklyn Polytechnical Institute and Pacific Lutheran University. More recently he has taught digital imaging and Adobe Photoshop technique as a faculty member of Photography Center Northwest in Seattle. He has lectured and run workshops for various user groups and ran the Boeing Digital Imaging SIG. He may be contacted for private and groups lessons at paullevy4@comcast.net

Date: Saturday, May 2nd, 2009

Time: 9 AM to about 4 PM. Lunch on your own at nearby restaurants (list and directions available).

Place: Mt Hood Community College Visual Arts Theater, 26000 SE Stark St., Gresham, Oregon 97030

Fee: The cost for the full day is \$25 for PSA members, \$30 for general admission and \$10 for students with valid student body card.

Registration: copy and send the registration form and check to: Gary Fields, 4600 Westwood Dr., Hood River, OR 97031

Workshop Content:

Using Photoshop to make your images pop

- ❖ Optimize exposure and resolution by learning how an image is captured by a sensor
- ❖ Take control of color by learning how camera raw recreates your image
- ❖ Understand and use colorspace
- ❖ Learn to edit your image through layers
- ❖ Sharpen an image and tame noise
- ❖ Put channels to work
- ❖ Create and edit masks for making targeted adjustments
- ❖ Image Resolution and Aperture
- ❖ Optimize pixel contents with curves.
- ❖ Use special purpose brushes
- ❖ Develop a consistent workflow
